

**“Patients first.”**

– Michael Muszynski, Borgess nurse

**“MNA is comprised of professional RNs with safe patient care goals in mind. We must stand together for all RNs and patients like.”**

– Nathan Hoffman, Borgess nurse

**“I want to provide Safe Patient Care.”**

– Sabrina Luke, Borgess nurse

**“We must stay united for our patients and our families.”**

– Janet Huff, Borgess nurse

**“We are working to protect the safeguards for patient safety we have gained over 30 years.”**

– Sheila Grigg, Borgess nurse

**“The nurses at Borgess are committed to safe patient care. We need a contract that ensures safe staffing levels and safe patient care.”**

– Laurel Bruska, Borgess nurse

**“Strong nurses = safe patient care. Unified nurses = safe patient care.”**

– Linn Crutcher, Borgess nurse

**“I want nursing to control the practice of nursing.”**

– Gaylia Hanson, Borgess nurse

**“Every patient deserves a nurse and safe patient care!”**

– Candy Zierle, Borgess nurse

*The faces and words of the hardworking nurses at Borgess Medical Center in Kalamazoo - as a large out-of-town operation that owns Borgess faces serious charges of unfair labor practices under investigation by the National Labor Relations Board.*

# **BORGESS NURSES RALLY**

**At 1 p.m. Today For A Contract That Provides For Safe Patient Care.**

Research **proves** fewer nurses forced to take care of more patients causes **more deaths** among patients. *JAMA Oct, 2003*

**Pro Patient. Pro Hospital. Pro Kalamazoo. Pro Union. Pro Contract.**

PAID FOR BY THE BORGESS NURSE STAFF COUNCIL
